

SENIOR FRONTEND DEVELOPER (M/F): REAL-TIME INDUSTRIAL ANALYTICS

FULL-TIME POSITION IN THE HEART OF MUNICH (MAXVORSTADT)

ABOUT US

We build state of the art sensor networks and web based applications for smart industrial position and process analytics. Core of our solution is a cutting edge radio technology for high precision localization and motion sensing of objects and people. Our awarded solution is a key technology for the Internet of things and an enabler for the smart factory of the future. Become an integral part of KINEXON and take on early responsibility in a young and dynamic company with flat hierarchies. Our team is engineering driven and passionate about solving challenges and building great things.

WHAT YOU WILL DO

- Development of web-based applications for industrial analytics (e.g. position, motion, status, process, interaction).
- Design of an outstanding and intuitive UI.
- Creation of a great UX for our customers.
- Development of innovative ideas and creative concepts to bring our application to the next level
- Close collaboration with our backend developers.

WHAT WE ARE LOOKING FOR

- Degree in computer science or equivalent.
- Several years of experience in creating great frontend applications (Single Page JavaScript in AngularJS).
- Experience in data visualization and UI design.
- Experience in backend development (e.g. PHP, Symfony, Node.js).
- Passion for new hardware and industrial processes.

WHAT YOU CAN EXPECT

- International team of passionate colleagues and tech enthusiasts with great team spirit and hands-on mentality.
- Outstanding career and development opportunities due to our strong growth and a steep learning curve.
- Fascinating system test & launch events with renowned customers.
- Startup feeling and a lot of fun at various team events around food, sports, party, or the annual "Oktoberfest".
- Competitive payment with bonus opportunity - and of course a lot of tasty coffee, fresh fruit and delicious sweets.

READY TO MAKE A DIFFERENCE AND SHAPE THE INTERNET OF THINGS?

Apply now! We are looking forward to receive your application (cover letter, CV, references and certificates) including your earliest start date! Please send your application to jobs@kinexon.com (contact: Lena Weber).
